About Hyde Leadership Charter School
Hyde Leadership Charter School is a public, K-12, college-preparatory school serving nearly 1,000 students in Hunts Point, the highest-risk community for children in New York City located in the poorest congressional district in the United States. Hyde’s mission is to develop the deeper character and unique potential of each student, and with excellent teachers, a dedicated Family Education Department, and distinct character curriculum, the school is a remarkable success. In a neighborhood where only 34% of students graduate from high school on time, on average over 90% of Hyde students graduate from high school each year.
